

# Leticia Tavares

## Data Scientist

### Work Experience

- 2021 - 2021 **Visagio**  
Intern in data engineering and consulting
- Development of robots for data extraction
  - Direct contact with the customer
  - Main tools used: Python and SAP
- 2021 - Present **IBM**  
Early associate data scientist
- Working with extraction, treatment and analysis of large volumes of data
  - Working with machine learning models to generate value for the client company
  - Main tools used: Python and PySpark/SQL

### Academic Experience

- 2011-2014 **Scientific Initiation Program Jr. (PIC)**  
- Contact with questions in the field of Mathematics
- 2020 **Scientific Initiation And Masters Program (PICME)**  
- Advanced studies in mathematics simultaneously with graduation  
- Study of early mathematical models of COVID19

### Hard Skill

### Profil

Music lover, assiduous viewer of series and movies, and a Data Scientist in training who is passionate about data manipulation and analysis, from collecting, visualizing and manipulating, to building the predictive model.

### Contact Person

**Phone** +55 (22) 997637177  
**Mail** leticiatavares@dcc.ufrj.br

### Education

**Bachelor of Computer Science** 2017-Present  
UFRJ  
**Building Technician** 2014 - 2016  
IFF

### Award

**Honorable Mention**  
Brazilian Public Schools Mathematics Olympiady (OBMEP) | 2010

**Bronze Medal**  
Brazilian Public Schools Mathematics Olympiady (OBMEP) | 2011

**Silver Medal**  
Brazilian Public Schools Mathematics Olympiady (OBMEP) | 2012 | 2015

**Gold Medal**  
Brazilian Public Schools Mathematics Olympiady (OBMEP) | 2013
